This resource offer students the opportunity to engage in active learning - measuring and calculating using large size cylinders and frustums. This lesson brings great opportunity for small group "dialogic teaching". Open-ended and closed questioning (ta) of students can be used to draw on their existing knowledge and extend their understanding. The teacher provides a practical commentary below.

Narrative Practices Adelaide has its history based in the Adelaide Narrative Therapy Centre, the centre that Michael White established in January 2008.

Narrative Practices Adelaide - Narrative Therapy

Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches.

What is Narrative Therapy? A Definition. Narrative therapy is a form of therapy that aims to separate the individual from the problem, allowing the individual to externalize their issues rather than internalize them. It relies on the individual's own skills and sense of purpose to guide them through difficult times ("Narrative Therapy", 2017).
