Preservation Press is a publisher of children's books. Books published by Preservation Press include Daily Life in a Victorian House and Architecture Colors.

### **Preservation Press - Publisher Contact Information**

This one was fun since we did it like a "guess the color" game. My 4 yr old liked that. It would work for a much younger child learning colors (which is probably why it's bound as a board book), although the subject matter of the photos (architecture- residential specifically if I remember right) is probably better suited to a little older.

This guide is intended as an introduction to American domestic architectural styles beginning with seventeenth-century colonial architecture through the Colonial Revival architecture of the early twentieth century. The guide focuses on common stylistic trends of New England and is therefore not inclusive of all American architecture.
