Childhood disintegrative disorder (CDD), also known as Heller's syndrome and disintegrative psychosis, is a rare condition characterized by late onset of developmental delays—or severe and sudden reversals—in language, social function, and motor skills. Researchers have not been successful in finding a cause for the disorder. CDD has some similarity to autism, and is sometimes considered a ...

Dear readers, I have been busy making several changes on this site. The first change is the creation of a new site, C's loving Domestic Discipline Bulletin Board where all the news and announcements will be posted from now on. Initially, when I posted an announcement, my intention was to delete it as soon as it was obsolete.

C's Loving Domestic Discipline Blog

Spanking blogs are blogs (weblogs) on the subjects of spanking, spanking art, erotic spanking, domestic discipline and similar topics. Some of these blogs are (or contain) punishment logs, too. The first spanking blogs came up when blogs became popular in the first years of the new millennium.
