This approach differs from the traditional policing where police dealt with an incident individually. Similar to the community policing, problem solving policing also calls for community support in finding solutions to the crimes and social disorders which are affecting the community, (Dempsey, & Forst, 2009).

Community and Problem-Solving Policing ...

Community-oriented policing employs the SARA model of problem-solving to come up with long-term solutions to crime that have less to do with the criminal justice system and more to do with changing perceptions.

Community-Oriented Policing - thebalancecareers.com

Problem-solving and community policing are strategic concepts that seek to redefine the ends and the means of policing. Problem-solving policing focuses police attention on the problems that lie behind incidents, rather than on the incidents only. Community policing emphasizes the establishment of working partnerships between police and communities to reduce crime and enhance security.
