Exploiting | Definition of Exploiting at Dictionary.com

Edit Article. Exploitation is surprisingly common in the world. It occurs in a wide array of types and is committed by a large range of people. The times when it is hardest to deal with exploitation is when the exploiter is a friend or relative who is taking advantage of you. It can be hard to know what to do and how to live with it.

How to Deal with Being Exploited: 6 Steps (with Pictures)

If only it were that easy. Unfortunately, worker abuse—horrific, inhuman worker abuse—does occur in the US, and it's more prevalent than you think. Because they may still be learning English or may be unfamiliar with US labor laws, recent immigrants, both documented and undocumented, are among the most exploited workers in the country, enduring wage theft, dangerous working conditions, discrimination, and even physical assaults.

US Companies Exploiting Workers | Green America

Although the definition of "exploitation" has changed since then, many still believe capitalist systems take advantage of vulnerable workers. Prof.

Does Capitalism Exploit Workers? - Learn Liberty

Well I'm doing a report on how workers get exploited in different countries and I needed some more information on the US. I need to know if it is illegal to exploit your workers in the US? It's not like I need to know to be able to exploit them, I need to know it for my report. Also, what do they really mean by exploiting them? Like do they make them do bad stuff, or what is it?

is it illegal to exploit your workers? | Yahoo Answers
