

## *Grit Curiosity And The Hidden Power Of Character*

### **Grit Curiosity And The Hidden**

Q&A with Paul Tough. What made you want to write *How Children Succeed?*. In 2008, I published my first book, *Whatever It Takes*, about Geoffrey Canada and the Harlem Children's Zone. I spent five years reporting that book, but when I finished it, I realized I still had a lot of questions about what really happens in childhood.

Courage (also called bravery or gutsy) is the choice and willingness to confront agony, pain, danger, uncertainty, or intimidation. Physical courage is bravery in the face of physical pain, hardship, death or threat of death, while moral courage is the ability to act rightly in the face of popular opposition, shame, scandal, discouragement, or personal loss.
