Tested on humans Our solutions are a direct reflection of the feedback we get from clients. Early adopters like The Danish Chamber of Commerce has used the platform for years and work continuously to streamline their workflows using Ulobby.

Ulobby

Lobbying in the United States describes paid activity in which special interests hire well-connected professional advocates, often lawyers, to argue for specific legislation in decision-making bodies such as the United States Congress. It is a highly controversial phenomenon, often seen in a negative light by journalists and the American public, with some critics describing it as a legal form ...

Increasing authoritarianism from elected governments is being experienced by citizens in the democratic nations of the western world. Many reasons are being given for the increase in authoritarian lawmaking and enforcement, from terrorism and climate change to food shortages and resistance to mass medication programs. All of these threats are grossly exaggerated but it seems governments of ...
