30 Mar 2019. match a song to a video memory. I have a memory of a video with a single female artist singing in knee deepwater. +It was dark and the water was very deep blue. +She might have been in a white dress but can't fully remember that. +It was late 80's early 90's and at first I was sure it was Belinda Carlisle, but can't find that video, so maybe it was an artist similar to her. +Help!?

I am looking for a particular song, how can I find it?
