Liquid Diet For A Week

A high-protein liquid diet is a medically prescribed meal plan. Physicians prescribe this diet regimen for a number of reasons. Most commonly, your doctor may prescribe a high-protein liquid diet preoperatively to promote weight loss before bariatric surgery, as well as postoperatively to help your recovery.

High-Protein Liquid Diet | Livestrong.com

One specific liquid diet doesn't exist. Many variations of a very-low-calorie diet that has you subsist on juice, clinically prepared nutritional drinks, smoothies, or concoctions of cayenne pepper and lemon juice for days, weeks or even months persist, however.

How to Lose Weight Fast With the Liquid Diet | Livestrong.com

3-week-diet-special.com is not yet effective in its SEO tactics: it has Google PR 0. It may also be penalized or lacking valuable inbound links.
