

National Atlas Of Ethiopia

National Atlas Of Ethiopia

National Geographic stories take you on a journey that's always enlightening, often surprising, and unfailingly fascinating.

National Geographic Magazine

The Morocco national football team, nicknamed "Atlas Lions" (Arabic: الأطللس أسود / Irzem n Atlasi), is the national team of Morocco. It is managed by Hervé Renard. Winners of the African Nations Cup in 1976, they were the first African team to win a group at the World Cup, which they did in 1986, finishing ahead of Portugal, Poland, and England.

The government of Ethiopia is structured in the form of a federal parliamentary republic, whereby the Prime Minister is the head of government. Executive power is exercised by the government while legislative power is vested in the Parliament. The Judiciary is more or less independent of the executive and the legislature. There are 9 ethnically based administrative regions and two self ...

Southern Africa Guided Holidays & Safaris

The Aqueduct™ tools enable users to measure, map, and mitigate water risks around the world with its open-source, and high-resolution platform. It uses multiple data layers to display water risks at any given location. Current water risks can be compared to those in the future, to visualize trends for optimistic, pessimistic, or business-as-usual climate and growth scenarios.
