People States Territories The Political

A People's History of the United States is a 1980 non-fiction book by American historian and political scientist Howard Zinn. In the book, Zinn presented what he considered to be a different side of history from the more traditional "fundamental nationalist glorification of country". Zinn portrays a side of American history that can largely be seen as the exploitation and manipulation of the ...

A People's History of the United States - Wikipedia

Political divisions (or administrative divisions) of the United States are the various recognized governing entities that together form the United States — states, territories, the District of Columbia, and Indian reservations.. The primary first-level political (administrative) division of the United States is the state. There are 50 states, which are bound together in a union with each other.
