A Eurogame, also called a German-style board game, German game, or Euro-style game, is a class of tabletop games that generally have indirect player interaction and abstract physical components. Euro-style games emphasize strategy while downplaying luck and conflict. They tend to have economic themes rather than military and usually keep all the players in the game until it ends.

The modern American political spectrum and the usage of the terms "left-right politics", "liberalism", and "conservatism" in the United States differs from that of the rest of the world. According to American historian Arthur Schlesinger, Jr. (writing in 1956), "Liberalism in the American usage has little in common with the word as used in the politics of any European country, save possibly ...
