What is a Merger? A merger is a major event in the life of a business and may impact many stakeholders including shareholders, directors, managers, employees, and customers. When two companies "merge," they combine their assets and liabilities. Essentially, one company "survives" while the other company's shares are converted into the shares of the surviving company.

Mergers & Strategic Transactions: Forms and Contracts ...

A Business Proposal, like the sample below, is a key part of forming new ventures and partnerships. If your business is in search of investors or looking to collaborate, a Business Proposal is your opportunity to formally detail what you can bring to the table.
