1 Grade Three Science Standards of Learning for Virginia Public Schools - 2010 Introduction The Science Standards of Learning for Virginia Public Schools identify academic content for essential components of the science curriculum at different grade levels.

### **Grade Three Science Standards of Learning for Virginia ...**

To explore this idea more fully, you can easily construct your very own device called an aeolipile (sometimes referred to as Hero's Engine or a Hero engine). Created by an engineer named Hero of Alexandria about 2000 years ago, this invention was able to show one way in which an action can lead to an equal and opposite reaction: an example of Newton's third law.
