Skin Type Solutions - The Physician Skincare Franchise Program

STS is 100 percent the best solution when it comes to skin care management. The majority of skin care ... specialists including physicians tend to recommend skin care based on a one size fits all mentality. We all have individual skin types and unique skin care needs.

Skin Type Solutions - Home | Facebook

The Skin Type Solutions Skin Typing System (STS), is a skin-type classification system comprised of 16 distinct Baumann Skin Types®. This approach to categorizing skin type was developed in 2004 by dermatologist Leslie Baumann, M.D. to subdivide research participants to facilitate data collection and analysis in cosmeceutical research trials.
