

Spelling It Like It Is English Edition

Spelling It Like It Is

Spelling Resources. Spelling is the combination of letters that form the written word. Reading and spelling go hand in hand, and very young kids start with the most basic understanding of spelling when they first learn how to put letters together. Later, as they become more proficient readers, they use spelling to begin the process of writing.

Many of the differences between American and British English date back to a time when spelling standards had not yet developed. For instance, some spellings seen as "American" today were once commonly used in Britain and some spellings seen as "British" were once commonly used in the United States.

Latin spelling, or Latin orthography, is the spelling of Latin words written in the scripts of all historical phases of Latin from Old Latin to the present. All scripts use the same alphabet, but conventional spellings may vary from phase to phase. The Roman alphabet, or Latin alphabet, was adapted from the Old Italic script to represent the phonemes of the Latin language.
