### **The Art Of Dead Space**

The Art of Dead Space is a superb art book that covers all three Dead Space games and includes art from the Dead Space comic. The one thing I've always liked about the publisher, Titan books, is that they include substantial paragraphs from the artists explaining why things were designed the way they were and why some ideas were scraped.

The Art of Dead Space, like any art book, explores the visual design elements of the story-world with a goal of illuminating the process. The inside of the book is filled with images as creepy and unnerving as the game itself, perhaps more so, as they are brought into the light, and made clear just how disturbing they can be.
