Newfoundland Rescue Information: The Newfoundland, or Newf, is a big dog with a bear-like appearance. Newfoundland dogs are remarkably sweet, gentle, and devoted. Newfs are absolutely wonderful with children. Newfoundlands need to be with their people.

### **Newfoundland Rescue — ADOPTIONS**

Bulldog Rescue Information: The English Bulldog is a stocky breed with an intimidating appearance, but is one of the gentlest types of dogs. However, the Bulldog does have excellent guarding instincts. Bulldogs love human attention. Some bulldogs have a dominant streak and need a master who is firm and exudes leadership.

### **Bulldog Rescue — ADOPTIONS**

Irish Wolfhound Rescue Information: The Irish Wolfhound is an enormous dog rivaling the Great Dane in height. Despite its imposing size, the Irish Wolfhound is a gentle, friendly animal that is trustworthy with children.

### **Irish Wolfhound Rescue — ADOPTIONS**

Dog Rescue Information: Dogs have a reputation for being "man's best friend" for excellent reasons. Dogs are wonderful companions. Many breeds, in addition to being affectionate, devoted members of the family, are useful working dogs and guardians.

### **Dog Rescue — ADOPTIONS**

Flat-Coated Retriever Rescue Information: Flat-Coated Retrievers are a popular breed of gundog. Flat-Coats are pleasant and energetic. They make excellent retrievers on land and in water. Flat-Coated Retrievers are extremely friendly and affectionate toward everyone, including children, strangers, and other dogs.

### **Flat-Coated Retriever Rescue — ADOPTIONS**

Siberian Husky Rescue Information: The Siberian Husky is a large Spitz-type dog with a history of

being used as a sled dog. Despite its ancient genetics and wolf-like appearance, Huskies are extremely friendly, gentle family companions.

### **Siberian Husky Rescue — ADOPTIONS**

Portuguese Water Dog Rescue Information: The Portuguese Water Dog is a loyal, loving dog that makes a wonderful family companion. Portuguese Water Dogs are wonderful with children, get along well with other dogs, and can be socialized to tolerate cats.

### **Portuguese Water Dog Rescue — ADOPTIONS**

Chow Chow Rescue Information: The Chow Chow is a big furry breed whose name literally means Puffy Lion Dog. Chow Chows are loyal companion animals but can sometimes be stubborn, obstinate, and overprotective against strangers.

### **Chow Chow Rescue — ADOPTIONS**

Corgi Rescue Information: The Welsh Corgi comprises two distinct breeds, the Cardigan Welsh Corgi, which is the larger of the two, and the Pembroke Welsh Corgi, which is more common. Welsh Corgis are some of the healthiest herding dogs out there. Pembroke Welsh Corgis are smart, devoted, and obedient dogs.

### **Corgi Rescue — ADOPTIONS**

Chesapeake Bay Retriever Rescue Information: The Chesapeake Bay Retriever, or Chessie, is a friendly, smart, medium sized breed. Chessies like to have their own way and can be a bit slow to obedience. Owners should be firm authority figures with experience training strong willed dogs.

### **Chesapeake Bay Retriever Rescue — ADOPTIONS**

Ragdoll Rescue Information: Ragdoll Cats are large, long-haired cats. Ragdolls are known for their exceptionally friendly temperaments. Ragdoll Cats are very dog-like in their devotion.

### **Ragdoll Rescue — ADOPTIONS**

Horse Rescue Information: Horses are beautiful, romantic animals that many people love. Sadly, however, horses are being neglected, abused, and abandoned at an alarming rate. The reasons a horse would need to be rescued are quite varied.

### **Horse Rescue — ADOPTIONS**

Bengal Rescue Information: The Bengal is a domesticated cat that resembles a small leopard. Bengal Cats are partially descended from wild cats, but have gentle temperaments like other domesticated cats. Bengal Cats are safe as pets if they are at least three generations removed from wild cats.

### **Bengal Rescue — ADOPTIONS**

Golden Retriever Rescue Information: The Golden Retriever is a gundog that loves the water. Originally bred for hunting, Goldens make wonderful family pets. Golden Retrievers are very sweet, patient, gentle, and excellent with children.

### **Golden Retriever Rescue — ADOPTIONS**

Bird Rescue Information: Exotic tropical birds such as Parrots and Cockatiels, as well as Finches, Doves, Pigeons, and other varieties, are often kept in captivity as beautiful and interesting pets. Unfortunately, many owners may not know how to care for their birds properly, while others experience life changes that may leave their pets without a suitable home.
