One of the smartest and most terrifying films in years, YOU'RE NEXT reinvents the genre by putting a fresh twist on home-invasion horror. When a gang of masked, ax-wielding murderers descend upon the Davison family reunion, the hapless victims seem trapped...until an unlikely guest of the family proves to be the most talented killer of all.

When You're Strange is a 2009 music documentary film about the American rock band the Doors. It was written and directed by Tom DiCillo and narrated by Johnny Depp. The film begins with the band's formation in 1965, its development over the next two years, release of their debut album and subsequent albums and Jim Morrison's use of alcohol and drugs and subsequent death in Paris in July 1971.

Do you know what you want when you die? Do you know how you want to be remembered? In a candid, heartfelt talk about a subject most of us would rather not discuss, Michelle Knox asks each of us to reflect on our core values around death and share them with our loved ones, so they can make informed decisions without fear of having failed to honor our legacies.

### **Michelle Knox: Talk about your death while you're still ...**

What happens when technology knows more about us than we do? Poppy Crum studies how we express emotions -- and she suggests the end of the poker face is near, as new tech makes it easy to see the signals that give away how we're feeling. In a talk and demo, she shows how "empathetic technology" can read physical signals like body temperature and the chemical composition of our breath to inform ...
